## Application for Girl Membership Dues Assistance

Please attach this form to the Membership Registration Dues Summary.

Girl Scouts Louisiana East provides due assistance to girls who otherwise could not afford to participate. Each request is decided on an individual basis. Completion of this form does not guarantee dues assistance will be provided. When dues assistance is provided it is expected that girl members, under the supervision of troop leadership, will devise a plan of action to earn funds through participation in the fall product or cookie sale to pay for their membership fee for the following year. Dues assistance is not available to re-register girl members.

**This form must be signed by the Membership Executive and approved by the Vice President of Membership, Executive Vice President of Membership & Program or the Chief Executive Officer in order to be processed.**
