## ***Our Own Troop's Badge/ Interest Project Patch***

*Our Own Troop's* Badge and Interest Project Patch gives Girl Scouts a chance to explore other subjects not covered by existing Badges and Interest Project Patches. These Badges/Interest Project Patches are unique because they are created by the girls themselves reflecting troop/girls' interests and give everyone involved a chance to discover, connect, and take action!

**Council approval must be received before any work is done on the requirements developed by the troop/girl(s). Work already completed prior to approval should not be counted toward any requirements of the *Our Own Troop's* Badge or Interest Project Patch.**

For a successful *Our Own Troop's* Badge or Interest Project Patch, the troop/girl(s) should work on other Girl Scout Badges or Interest Project Patches before attempting *Our Own Troop's* Badge or Interest Project Patch. Read the description in the Junior Girl Scout Badge book or Interest Project Patches for Girls 11-17 book to begin.

Troops must submit *Our Own Troop's* Badge/Interest Project Patch Approval Application form and will receive status of approval two weeks after submission. Upon completion of the Badge/Interest Project Patch, the troop/girl(s) will have to complete the evaluation and return it to the Program Department or drop off at the Council shop when placing your order for the blank Badge/Interest Project patches.
