

Annual Family Giving Campaign

When girls are given opportunities, amazing things happen. You know this better than anyone, because your girl is building her courage and confidence right now as a Girl Scout!

We ask you to join us as we bring this leadership experience to more than 12,300 Louisiana girls who are Girl Scouts and the many more who would love to join. Consider a contribution to your community and your girls through our Annual Family Giving Campaign.

Together, we will empower the next generation of female leaders as they discover their values and place in the world, connect with those who will embrace their vision, and take action to strengthen their communities.

Make an investment in Girl Scouts!

In Girl Scouting, girls everywhere—including your daughter— have the opportunity to explore their unique talents and become the kind of leader they want to be – in their family, school, workplace, community, or the world!

 Your donation will help offset costs related to:

- Camp Covington
- Camp Marydale
- Camp Whispering Pines
- Dozens of specialized programs
- Financial Assistance for membership fees, uniforms, & badges
- *Program Power*
- *G.I.R.L. Connections*
- Training and support for Volunteers
