Thursday, March 11, 2027 | PACE Center, Gonzales, LA

Presented by:

Our Girls, Our Future Luncheon is a signature celebration of Girl Scouting in southeast Louisiana, now in its fourth year. The event honors the rich legacy of the Girl Scout movement while highlighting the impact of today's girls and the leaders they are becoming. Since 1912, Girl Scouts have been breaking barriers and expanding opportunities, and GSLE continues this mission by building confidence, leadership, and a strong commitment to service in every girl it serves.
