

GSLE Renewal Guide

Early Bird 2024-2025

April 1 - May 31, 2024

A Girl Scouts membership provides a rich experience for girls to explore new interests, face challenges, form new friendships and make lasting community contributions.

Don't let her miss out on the fun! Early Bird Registration is April 1 - May 31, and your troop could receive great incentives.

Troop Leader Benefits and Early Bird Checklist

- Let parents/caregivers know about the troop's plans for the upcoming year. If a parent plans to renew during Early Bird as a troop leader, troop cookie manager or troop volunteer, have the troop consider paying for their adult membership.
- Get ahead by completing your Looking Ahead/End of Year paperwork.
- Do it for the girls. Help your girls return this fall by ensuring they have a reserved spot as a troop member for the upcoming year. Consider using troop funds to pay for all or a portion of membership fees – an excellent use of the money they earned all year!
- By renewing girls' memberships now, you don't have to spend summer or the first week of school chasing down registrations. Bonus: you can use summer to plan the upcoming year!
- Make Early Bird a tradition for your troop! Not only are there great incentives, but your girls' amazing connections and friendships will last a lifetime!
